

Coopersburg Business Revitalization Program: *Improving Your Downtown*

The goal of the Coopersburg Business Revitalization Program (CBRP) is to revitalize our downtown business district. We want to do so by:

- Making physical improvements to downtown.
- Enhancing existing businesses and recruiting new ones.
- Promoting downtown as a place to live, work and play.
- Making downtown safe, clean and environmentally friendly.

The CBRP is comprised of volunteers from our business, residential and government sectors, working together for the betterment of OUR DOWNTOWN.

Why should I volunteer? See other side for more info....

Why should I volunteer?

- **Make a difference & impact your community.**
Work with others who share your passion to revitalize downtown.
- **Good for business, good for you.**
When you volunteer your time, talent and expertise, *you* will benefit along with your community. Through networking with business owners, you will gain visibility for yourself or your business.
- **You decide what you want to do.**
From street cleanups to tackling recruiting businesses, you decide how you can help. Regardless of if you chair a committee or only give one hour, the time you volunteer is needed and valued!
- **Develop leadership skills.**
Make valuable contacts with business owners, property owners and community leaders.
