Main Street Phase 1B Construction Bid Questions and Answers:

- What are the working hours permitted for this project? Is this restricted hours?

Borough rules permit construction between 7 am – 8 pm. In addition, follow plans and specifications for traffic control hour restrictions and as follows:

LANE AND SHOULDER CLOSURES ARE PERMITTED FROM 9:00 AM TO 3:00 PM DAILY

MONDAY THRU FRIDAY. NO LANE CLOSURE PERMITTED FROM 3:00 PM TO 9:00 AM MONDAY

THRU FRIDAY, ON WEEKENDS, OR ON LEGAL HOLIDAYS.

- Are electrical permits (or any others) required for the contractor to include?

No, the Borough will take care of the electrical permits / inspections out of pocket.

- Will boring for the lighting conduit be permitted? Especially in the ROW.

Horizontal boring is permitted.

- Please clarify the depth of the concrete sidewalk.

Construct concrete sidewalk in accordance with Section 676. Use 4" concrete sidewalk on 6" subbase.
